

HIGHBURY & ISLINGTON

Genetic Alliance UK

ANGEL

Highbury & Islington Station – VICTORIA LINE

Walk (about 15 minutes) up St. Paul's Road until you come to traffic lights at the junction of Essex Road and Ball's Pond Road.

Bus Number **30** or **277** from the bottom of St. Paul's Road (outside a pizza shop) would bring you up to the junction of Essex Road and Ball's Pond Road.

Angel Station – NORTHERN LINE

Bus On leaving the station, cross the road and catch either a number **38, 56, 73, 341, or 476** bus along Essex Road. Alight at the stop after Sainsbury's, which is on your left.

Kings Cross Mainline Station

Bus Number **30, 73, and 476** buses all leave bus-stop **E** directly outside the main exit of Kings Cross Station.

Taxi Genetic Alliance UK is a twenty minute taxi journey from Kings Cross.

GENETIC ALLIANCE UK
(Formerly **GENETIC INTEREST GROUP**)
Unit 4D
Leroy House
436 Essex Road
London N1 3QP

Leroy House is a large brick building, directly on the corner of Balls Pond Road and Essex Road.

Once in Leroy House, take the lift to the fourth floor. On leaving the lift, turn right and pass through the double fire doors and then walk along the corridor. The Genetic Alliance UK office (Unit 4D) is on the right hand side of the corridor. Don't be surprised that the units are not as logically and alphabetically arranged as you may suppose.
