

MEMBERSHIP FEES

2017 - 2018

Genetic Alliance UK membership is open to all voluntary organisations concerned with genetic conditions. This enables us to represent a wide range of people affected by genetic conditions and campaign for the broad issues which affect all of our members. Membership is free for organisations with an income up to £10,000. Above this, yearly fees are calculated based on the annual turnover of the member.

| Band | Income of your organisation (per annum) | Membership fee (per annum) |
|------|---|----------------------------|
